Profile

An energetic team worker who thrives in the outdoor environment. Has experience of working in arable and livestock settings and is keen to progress expertise in all sectors of the industry. Possesses strong practical skills and an attention to detail that sets them apart. Can work independently but is also extremely effective when carrying out complex or multistep tasks set. Has both hands-on experience and formal qualifications and is keen to develop their career in a job that offers new experiences, opportunities, and formal CPD.
