

Personal objectives

Resilient staff, resilient business

With Rachael Chamberlayne - www.hillfarmlongney.co.uk

Taking some time to identify the things staff enjoy about their job can pay dividends in building better relationships, and strengthening their loyalty to your business.

What makes you happy as a person?	
What do you enjoy about farming and growing?	
What is the purpose of what you do?	
What are you good at?	
What are your plans for the next few years?	
How does farming fit into those plans?
